SCHOLARSHIP APPLICATION

PURPOSE: The Governing Board of Long Valley Health Center awards scholarships to encourage students who wish to pursue careers in the field of health care.

AWARDS: The Health Center customarily awards one scholarship of \$500 although the number and amount of scholarships varies, depending on funds available and the number and nature of applications received. Scholarships are awarded based on academic achievement, citizenship, individual initiative, and career objectives. Scholarship awards are disbursed upon presentation of proof of enrollment in a program consistent with this application.

ELIGIBILITY:

1. Applicant is a graduating Senior at Laytonville or Leggett High School, and;
2. Applicant is planning on course of study or life experience in preparation for a career or employment at a community health center in any of the following areas: medicine, dentistry, behavioral health, or any other health profession; health auxiliaries, such as nursing, dental assisting, radiology, or medical technician; accounting or fiscal management; information technology; or health administration.

APPLICATION REQUIREMENTS:

Students wishing to apply for this scholarship should complete this application, attach the required documents listed below, and return it to the High School Counseling Office, (Applications will be forwarded to the Health Center for consideration.) Or mail to Long Valley Health Center Attn: Personnel P. O. Box 870 Laytonville, CA 95454.
